

Please follow this link to register: <https://tas.currinda.com/register/event/2324>

It will open Currinda on your web browser. Currinda is the registration platform for the ASID 2023 Conference.

You must have a Currinda profile before you can register for the conference.

If you registered for the 2022 online conference, you will already have a Currinda profile. Each Currinda profile must have a unique email address. You cannot use the same email for multiple accounts.

If you have an existing Currinda profile, please scroll to the “existing user” section.

If you have an existing Currinda account, please login to your profile here.

If you do not have an existing Currinda profile, please press “Begin Here”

New Currinda user

You must enter your details and create a Currinda profile. Once your account is created, you can register for the conference.

If an error message appears, it means that a Currinda account already exists using that email address, so continue to ‘Existing Currinda User’ below.

Existing Currinda user

If you have forgotten your password, please click the “forgotten password” link on the right of the page (highlighted blue). This will prompt you to enter in your email address previously used for your Currinda profile. Then follow the instructions.

If you are also planning to submit an abstract, and/or have multiple affiliations

Your Currinda profile is also used when submitting an abstract. Make sure the details in your profile are those you wish to have on your abstract.
